STARRING JAKE EPSTEIN

Globus Theatre is delighted to be able to present *Boy Falls from the Sky*, which was supposed to be the opening to our 2020 Summer Season. Broadway and *Degrassi* star, Jake Epstein, takes us on a no-holds-barred showbiz journey with funny and revealing stories and show-stopping musical numbers.

Ever since he was a kid, belting out show tunes with his sister in the back of his family's minivan, Jake's dream was to wow theatre audiences...and for the last two decades he has been living that dream. From his time, at aged 14, as the Artful Dodger for *Mirvish* in Toronto to his role as Spiderman on Broadway Jake has lived through some serious 'Razzle Dazzle'...and through parts of the dream that became a nightmare.

Join us as one of Canada's very best musical performers regales us with the highs and lows of showbusiness (including falling each night from very high to very low in his role as the webbed wonder!)

A wonderful, 'tour de force' performance that is, at times, both hilarious and heartbreaking.

Cabaret of the highest calibre NNNNN - Now Magazine, Toronto

Globus audiences are in for a treat and have the opportunity to catch this show before it hits the *Mirvish* stage in 2021.
