*For over four decades, Powder Blues has been Canada's leading blues band. The mix of swing, blues, jazz, rock & roll, and r & b has an appeal so wide that people from seven to seventy swing side by side at a Powder Blues concert. Over the years the band has toured non-stop through Canada, the US, and overseas, sharing their feel-good music. Their debut album, 'Uncut', was ignored by major labels who said there was 'no market for the blues'. Undiscouraged, the band sent it to radio stations whose switchboards lit up with calls asking, 'who's that?' After selling 30,000 copies in a few weeks, the same record labels competed to sign the band. To date, Powder Blues have sold over a million records worldwide.*

### **CHICAGO TRANSIT**

Date and Time: Saturday, October 26 7:30 pm

Address: FLATO Academy Theatre

There are a lot of bands doing a tribute to the band Chicago, but back in the early 90's, when Powerhouse decid

ed to put together their Chicago Transit tribute act, they were the first in the world to do so. And they remain to day as the longest running Chicago tribute band and the only one to carry four lead vocalists, just as the band Chicago does.

## CHICAGO TRANSIT CANADA | TRIBUTE TO CHICAGO

The band's 5 lead singers, the 3-piece horn section, and the 5 piece rhythm section made this show a natural for the band – even getting credit from the band Chicago themselves, back in the 90's.

In twenty-five years, the band, based in Hamilton, Ontario, Canada has performed their show at Festivals, Theatres, Casinos, and various other venues from as far east as the Gatineau Hills in Quebec, south to Florida, USA, and the US Midwest – including Chicago, Illinois, itself.

The band, with its 3 piece horn section, five piece rhythm section, and five lead vocalists is able to cover all the Chicago material from the early horn-dominant classics like 'Make Me Smile', '25 or 6 to 4' and 'Saturday in the Park' to the later, softer, keyboard-oriented ballads like 'If You Leave Me Now'.
