Thanksgiving Door-to-Door Food Drive

Date and Time: Saturday, October 2 10:00 a.m. - 12:00 p.m.

Address: Your porchYour porch

Last year, the pandemic forced a strange new normal. In order to adapt, Kawartha Lakes Food Source (KLFS) had to rethink how food donations were gathered, and so we held a porch pick up drive that spanned the entire town of Lindsay. That support helped our member food banks weather what has been a very busy year. Once more, Kawartha Lakes Food Source is in need help as inventory stocks run lower and lower in response to high numbers of food bank visits.

Last years' Thanksgiving Door-to-Door Food Drive collected over 5,300 pounds of non-perishable food items, a goal we hope to reach and exceed in 2021. With our member food banks seeing an increase in client visits over the month of August, our distribution centre inventory has dipped very low. To meet the anticipated need, this Thanksgiving Door-to-Door Food Drive is extremely important.

The Thanksgiving Door-to-Door Food Drive will take place on Saturday, September 25 and Saturday, October 2 between 10:00 am – 12:00 pm. The town of Lindsay will be split in half along Colborne Street, same as last year.

All homes located on Colborne Street and north of Colborne Street will be picked up on Saturday September 25, while all homes south of Colborne Street will be picked up Saturday, October 2. On your designated day, we ask donors to leave your donation in a plastic bag and in a visible location on your porch before 10:00 am. Volunteers will then safely gather your donation before 12pm.

Last year, south Lindsay won the impromptu competition to see which side of town could donate the most, raising over 3,000 lbs. We can't wait to see if north Lindsay can come back this year to beat that record!

To residents able to donate, the distribution centre is running low on nearly everything. There are a variety of items that would be very much appreciated: canned meats like ham, chicken or turkey; canned cranberries; boxed stuffing; boxed or canned potatoes; and canned veggies like peas, corn or carrots.

For more information on when you can expect your donation to be picked up, or for information on how to donate financially, should that feel more comfortable, you can contact Kate at Kawartha Lakes Food Source. You can reach her at info@kawarthalakesfoodsource.com, by calling 705-324-0707 or you can watch our Facebook and Instagram, @KawarthaLakesFoodSource, for updates.

“We aim to make sure that everyone has a Thanksgiving free of hunger despite the recent challenges.” - Kate Dorotheou, Community Engagement Coordinator.

Address: 2300 Pigeon Lake Road, Bobcaygeon, K0M1A02300 Pigeon Lake Road, Bobcaygeon, K0M1A0

James Barrett set to star in Every Brilliant Thing at Globus Theatre!

After a busy summer season of concerts and comedies, Globus Theatre is excited to kick off their Fall season with Every Brilliant Thing by Duncan Macmillan - a play that is, in equal parts, both hilarious and heart-wrenching. Globus Theatre Artistic Producer James Barrett will star in this production.

Every Brilliant Thing is the story of a young boy whose Mom suffers with depression. Knowing that she finds it hard to be happy, he starts to make a list of everything that's great about the world. Everything that's worth living for. Every Brilliant Thing. He leaves it on her pillow and knows that she's read it because she's corrected his spelling. As he grows up, he adds to the list, and it soon takes on a life of its own...

"EVERY BRILLIANT THING finds a perfect balance between conveying the struggles of life and celebrating all that is sweet in it." —The Independent (London, UK).

A touching, funny and intimate performance that chronicles life's joys... and reveals the lengths we will go for those we love.
