Rainbarrel Truckload Fundraiser for Rosedale Boat Launch Repairs

Date and Time: Wednesday, July 1 12:00 a.m.

Event Location: Rosedale Parkette

Please support a local project- the **Rosedale Boat Launch Reconstruction**. This is the busiest boat launch in the City of Kawartha Lakes and has not had maintenance since the mid 1960's. There is shoreline erosion, potholes and a hazardous underwater berm with the potential to damaging motors, if not corrected. This is a costly project- approximately \$50,000 needs to be community raised.

The Residents of Rosedale is selling Rainbarrels with all profits going towards this project. Rainbarrels collect natural water (no additives) to use on your gardens and lawns, Gardners say this is the best water for them-it's always at the right temperature. They also collect water away from foundations to reduce flooding around your home. If you are on town water, this water is free!

These **rainbarrels** are repurposed food grade barrels and **each comes with a mosquito/leaf screen, spigot and overflow hose and are well priced at just \$55!** They are offered in a selection of colours to compliment your building. Additional or replacement accessories are also available.

Order online at Rainbarrel.ca/Rosedale by June 23 for pickup at the Rosedale Parkette and Boat Launch on Coldstream Road on **July 3, 3pm-7pm** or July 4, 9am-12pm. Please prepay your order to reduce Covid19 contact on pickup day.
